

Jin Lei (Preferred Name: Timmy Lei)

Portfolio: innerloop.work

Email: chtimmy02@gmail.com

LinkedIn: <https://www.linkedin.com/in/timmy-lei/>

I design and implement business systems that remove friction for teams and customers, built on experience acquiring and engaging customers directly and supporting how a growing organization runs day to day

SKILLS

AI & Automation: Claude / Claude Code (prompt engineering, task decomposition), Make, Zapier, API integration

Tools: Coda, Instantly, HubSpot, Airtable, SQL, Tableau, Jira, Vercel

Strengths: Customer & Stakeholder Relationships, Systems Thinking, Process Design, Cross-functional Communication

EXPERIENCE

REVO Music | Hollywood, CA

February 2026 - Current

Artist Relations & Business Development

- Led artist acquisition end to end, owning outreach, relationship-building, and qualifying new artists for the platform
- Built Instantly and Make outreach automations that improved workflow, increased daily outreach by 6.5x and cut manual work by 20hrs/week, scaling acquisition without scaling manual work
- Designed and implemented an AI-assisted artist tracking system, centralizing artist status across the team and saving the team 20 hours/month

Digital Aid Seattle | Remote

September 2025 - Current

Executive Assistant

- Built a Coda and Zapier system for the CEO to track monthly check-in meetings with 80+ volunteers, syncing records, meeting summaries, and tracking individuals' performance over time
- Automated meeting workflows and maintained clean records across Coda, GitBook, Google Sheets, Airtable, and Jira, eliminating manual follow-ups and reducing scheduling errors

Hyatt Vacation Club | Los Angeles, CA

June 2025 - December 2025

Event Sales & Marketing

- Engaged diverse audiences at large-scale events, building customer rapport and recording qualified leads to support Salesforce follow-up workflows

HB Entertainment | San Diego, CA

April 2023 - February 2025

Marketing & Event Operations

- Managed relationships and communication across DJs, artists, and student organizations to coordinate and execute live events, supporting smooth operations and increased attendance

EDUCATION & CERTIFICATIONS

University of California, San Diego

September 2021 - June 2025

Bachelor of Science in Business Economics

Minors: Technology, Innovation, & Supply Chain; Entrepreneurship & Innovation

Certifications: Google Project Management (Nov 2025), Claude 101 (June 2026), AI Fluency (June 2026)
