SKILLS

AI & LLM: Claude / Claude Code (prompt engineering, task decomposition), API integration

Automation & Tools: Make, Zapier, Coda, SQL, Tableau, Airtable, HubSpot, Jira, Instantly

Soft Skills: Systems Thinking, Process Design, Cross-functional Communication, Analytical Problem Solving

EXPERIENCE

REVO Music | Hollywood, CA

December 2025 - Current

Business Development

- Led artist acquisition and implementing Instantly and Make systems, improving workflow, increasing daily outreach by 6.5x and saving 15hrs/week
- Designed and implemented an AI-assisted artist tracking system, centralizing artist status and saving the team 20 hours/month
- Identified operational bottlenecks and developed strategic initiatives for artist engagement, marketing, and platform growth

Digital Aid Seattle | Remote

September 2025 - Current

Executive Assistant

- Developed a Coda-based system to centralize volunteer 1:1s, syncing volunteer information, meeting summaries, and recording individuals' performance over time
- Streamlined internal tools and documentation (Coda, GitBook, Google Sheets, Jira) to maintain accurate records, clean outdated data, and support reliable team coordination
- Built and maintained Zapier automations to automate meeting workflows, reduce scheduling errors, and eliminate manual follow-ups

Hyatt Vacation Club | Los Angeles, CA

June 2025 - December 2025

Event Sales & Marketing

- Engaged diverse audiences at large-scale events, building customer rapport and recording qualified leads to support Salesforce follow-up workflows

HB Entertainment | San Diego, CA

April 2023 - February 2025

Marketing & Event Operations

- Coordinated logistics, timelines, and stakeholder communication across DJs, artists, and student organizations to execute live events, supporting smooth operations and increased attendance
